35. [SR 20-1850](#) Public hearing to consider amendments to the Outdoor Event Ordinance (Article 2 of Chapter V of the General Code). The amendments include the following:
- 1) Increase the number of allowed events from four (4) to eight (8) per year;
 - 2) Modify the permit issuing agency to the Community Development Agency from the Nevada County Sheriff's Office;
 - 3) Provide clarification of sanitation requirements for portable toilets;
 - 4) Remove the requirements for criminal record checks, security posting and proof of insurance; and
 - 5) Clarify the appeal and violation procedures.

(Introduce/Waive Further Reading/Adopt) An Ordinance amending Article 2 of Chapter V of the Nevada County General Code regarding Outdoor Events.

ACTION TAKEN: Mr. Brian Foss, Planning Director, provided a brief PowerPoint presentation regarding the proposed amendments to the Outdoor Event Ordinance. He reviewed the concerns expressed regarding the current Ordinance that the Community Development Agency has received from industry participants over the past 5+ years, since the initial Ordinance was adopted, and outlined the proposed amendments.

Board discussion and questioning ensued.

Chair Hall opened Public Comment and Ms. Julie Patterson Hunter read the following comments received from the public:

In favor of the Amendment: Ms. Robin Galvan-Davies, Executive Director, Greater Grass Valley Chamber of Commerce and Ms. Cathy Whittlesey, Executive Director, Nevada City Chamber of Commerce; Ms. Joy Porter, Owner of Winding Road Imagery; Mr. Jerry Cirino, Owner of Cirino's Restaurant; Ms. Linda Miller, District IV resident; Ms. Lillie Piland, Owner, Yuba Blue, Inc.; Ms. Jan Roth, Owner, Roth Estate; Ms. Deborah Totoonchie, District IV; and Ms. Cathy Frazier, General Manager, Gold Miners' Inn.

Nevada County Fire Chiefs' Association had comments suggesting certain changes to the current Ordinance. Mr. Foss reported that many of these suggestions have been written into the amended Ordinance.

In opposition of the amendment: Ms. Eve Diamond and Mr. Tom Sheehy, District IV residents; Mr. Ron Maier, Nevada County resident.

Board questioning and discussion ensued.

Supervisor Hoek wanted to be sure all permit and fee information is connected to and included with the initial application to ensure transparency when someone comes in to apply. Her concern was that there are no surprises that come after the application has been submitted. She was particularly concerned with additional certificates with fees that may be required from Environmental Health. Mr. Foss stated that staff could look at the fee schedule and clarify what all the fees are. He also felt that the information was currently included in the application process.

Supervisor Scofield and Supervisor Anderson had concerns with increasing the number of events to eight, and the impact these additional events would have on neighborhoods.

Supervisor Hall and Supervisor Miller felt that the increase was reasonable and beneficial.

Supervisor Miller was concerned that if the Ordinance is tabled today until a future Board meeting the 2020 wedding season will have passed and venues will not be able to have the extra number of events this wedding season.

Supervisors Anderson and Hoek shared concerns regarding the public's ability to provide comments during a remote meeting, and suggested the item return to a future meeting when the public can attend in person.

Supervisor Miller made a motion to adopt the amended Ordinance, the motion failed for lack of a second.

Ms. Alison Lehman, County Executive Officer, recommended the Board table the Ordinance today and staff will convene a stakeholder group to get more public input, then bring the item back to the Board later this year.

Chair Hall tabled the item until later in the year and closed public comment.
