PRESS RELEASE II – Updated Information

Date: January 27th, 2017
Issuing Officer: Sgt. Bob Jakobs (Major Crimes Unit)

UPDATED INFORMATION

The Nevada County Sheriff's Office is asking for the public's assistance in identifying the owner of a white Toyota pick-up truck seen in video surveillance footage near the Tri-Counties bank at the time of the bank robbery yesterday (10:03 a.m.). Additional video footage and evidence collected leads Sheriff's Investigators to believe this truck was likely used by the suspect to flee from the scene.

The truck is further described as a late 90's to early 2000's white Toyota pick-up with an extended cab and white camper shell. The camper shell has two distinct elongated windows on both its sides. The truck also appears to have black rims and possibly oversized tires and maybe slightly lifted. The vehicle was last seen heading east on Magnolia Road past Lake of the Pines immediately after the robbery.

If anyone recognizes the vehicle depicted in the photograph provided they are encouraged to contact the Nevada County Sheriff's Office Major Crimes Unit at (530)265-7012 or they can submit an online tip at <http://www.mynevadacounty.com/layouts/MNCAssets/ap/crimetip.aspx> which is located on the Sheriff's Office webpage.
