

# **Mental Health Services Act Report**

## **06/04/10**

### **Community Services and Supports (CSS)-**

Annual Plan Update and Annual Progress Report for FY 08/09 public 30 day review closed yesterday. Public Hearing will occur today, June 4, 2010.

We have two requests for new services: SPIRIT and Innovation Board and Care

### **Housing-**

Housing loan application sent to the State on June 3, 2010.

Nevada County Continuum of Care (CoC) to End Homelessness has merged with Placer County CoC.

### **Workforce Education and Training (WET)-**

Follow-up storytelling training with interested community members is next week on June 10th.

### **Capital Facility (CF)**

The Odyssey House remodel plan was sent to the State last week.

### **Information Technology (IT)**

Implementation planning is occurring. Anasazi implementation team has conducted two weeks of sharing system information by providing system demos and working on the tables that will be used by the billing staff. The first step in implementation of the new system is decisions regarding table set up for the billing portion of the system. The expected go live date is January 1, 2011.

### **Prevention and Early Intervention (PEI)-**

On May 27, 2010 we received an approval letter from the Mental Health Services Oversight and Accountability Commission (MHSOAC) approving \$100,000 of FY 07/08 unspent funds to be transferred to the Prudent Reserve.

Forensic Outreach and Engagement was approved by the BOS on May 24, 2010.

Programs to be implemented: Columbia Teen Screening, First Responder Training, Functional Family Therapy, and Second Step

Suicide Prevention, Senior Outreach, Dial 2-1-1, Homeless Outreach, Physician Training, Latino Outreach programs and mentoring programs are up and running.

### **Innovations-**

Draft Flyer and PowerPoint for Innovation Community Planning Meetings have been created. We received from the State the forms they created translated into Spanish. I will move forward to get our flyer and PowerPoint presentation translated into Spanish

### **Exhibit 6 Progress Report-**

Next project I will be working on.
