

Mental Health Services Act (MHSA) Report

Mental Health Board Meeting Date: 6/1/18

- **MHSA Annual Progress Report for FY 16/17 and Annual Plan Update for FY 18/19**
 - Approved by the Board of Supervisors on 5/22
 - Will be sending to DHCS and MHSOAC shortly
- **MHSA Steering Committee**
 - Will be organizing a meeting in early July – date TBD
- **Legislative Update**
 - **Senate Bill 1004 – now in Assembly**
 - Starting in FY 2020/21, would require the MHSOAC to approve all Prevention and Early Intervention (PEI) plans before expending PEI funds
 - Counties will need to spend their prevention and early intervention funds on at least the priorities established by the commission, including:
 1. Childhood trauma prevention and early intervention-refers to a program that targets children exposed to, or who are at risk of exposure to adverse and traumatic childhood events;
 2. College mental health outreach, engagement, and service delivery-refers to a program that educates, engages students and provides either on-campus, off-campus, or linkages to mental health services not provided through the campus to students who are attending colleges and universities;
 3. Early psychosis and mood disorder detection and intervention
 4. Other programs the commission identifies that are proven effective in achieving the goals stated in Section 5840
 5. A county may include other priorities, as determined through the stakeholder process, either in place of, or in addition to, the established priorities.
 - **AB 2843**
 - Requires funds subject to reversion to be reallocated to cities, special districts, school districts, or other public entities for provision of mental health services consistent with intent of MHSA
 - **AB 2287**
 - Requires MHSOAC to develop local government transparency and accountability strategy, including possible new MHSA reporting requirements
