

Marijuana Cultivation Ordinance Update

Board Workshop

January 26, 2017

Presented by

Sean Powers, CDA Director

Quick Review

- May 8, 2012, Urgency Ordinance 2349
 - Medical Marijuana Cultivation regulation
- January 12, 2016, Urgency Ordinance 2405
 - Banned outdoor cultivation
 - Resolution 16-038 calling for June 2016 ballot vote
 - July 19, 2016 , 59.45% of voters casted a no vote on Measure W

Quick Review cont'd

- June – July 2016, marijuana subcommittee meets with the stakeholders on three occasions
- July 26, 2016, Ordinance 2416 (interim ordinance)
 - Allows for indoor and outdoor cultivation in rural and residential ag related zones
 - No cultivation allowed on parcels of two acres or less or in any R1, R2 or R3 zones
 - Factors based on parcel size and zoning classification, Zero to 25 plants

Prop 64

- November 8, 2016, Adult Use of Marijuana Act (AUMA)
 - Allows cultivation, possession and use in limited quantities for nonmedical purposes
 - Allows the County to reasonably regulate, but not completely ban, personal indoor grows
 - Provides local control over whether, when and where to allow other cultivation activities
 - Creates state regulatory framework regarding nonmedical cultivation, sales and distribution
- January 10, 2016, Board narrowly amended interim ordinance for Prop. 64 compliance

Next Steps
