**2021-2022 Grant Application Presentation**

It is expected that a brief presentation (5-10 min) be giving at the December Commission meeting. Per Governor Gavin Newsom's Executive Order pertaining to the convening of public meetings in response to the COVID 19 pandemic, the FWC will hold its regular meeting of the FWC members virtually via Zoom. The presentation shall include the following items:

- 1. ORGANIZATION BACKGROUND** - Discuss the founding and development of the organization. Explain the original issue and/or opportunity the organization was founded to address and how that may have changed over time.
- 2. GOALS** - Describe the organization's current goals.
- 3. GRANT INFORMATION** - Provide a brief description of the grant request and how it will be used by your organization. Also include how this request complies with Fish and Game Code Section 13103.
- 4. FOR PROGRAM REQUESTS** -
  - (a) Provide a summary of the plan for the program request. Include the issue and/or opportunity addressed, goals and objectives, activities, and timeline.
  - (b) Explain why the organization is approaching the issue and/or opportunity in this way.
  - (c) Provide a detailed timeline of when the program will be implemented and completed.

**OR-**

**FOR EQUIPMENT REQUESTS -**

- (a) Provide a cost per item and or/quote of the equipment to be purchased.
  - (b) Explain how the equipment will be used.
  - (c) Explain why the organization needs the equipment and how the equipment will help meet the goal of the organization.
- 5. EVALUATION-** Describe how the organization will measure impact from the grant received.

**Optional**

- 6. VOLUNTEERS.** Describe how the organization involves volunteers and unpaid personnel (other than the board of directors) within a typical 12-month timeperiod. Include number of volunteers and hours (if tracked by the organization).
- 7.** Any additional information that is vital to convey in this request.

Please submit the completed form plus any PowerPoint presentation to:

Fish & Wildlife Commission

**REQUESTS MUST BE IN COMPLIANCE WITH THE FOLLOWING CODE SECTION**

**FISH AND GAME CODE - FGC  
DIVISION 10. REVENUE**

**13103.**

Expenditures from the fish and wildlife propagation fund of any county may be made only for the following purposes:

- (a) Public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids to education such as literature, audio and video recordings, training models, and nature study facilities.
- (b) Temporary emergency treatment and care of injured or orphaned wildlife.
- (c) Temporary treatment and care of wildlife confiscated by the department as evidence.
- (d) Breeding, raising, purchasing, or releasing fish or wildlife which are to be released upon approval of the department pursuant to Sections 6400 and 6401 onto land or into waters of local, state, or federal agencies or onto land or into waters open to the public.
- (e) Improvement of fish and wildlife habitat, including, but not limited to, construction of fish screens, weirs, and ladders; drainage or other watershed improvements; gravel and rock removal or placement; construction of irrigation and water distribution systems; earthwork and grading; fencing; planting trees and other vegetation management; and removal of barriers to the migration of fish and wildlife.
- (f) Construction, maintenance, and operation of public hatchery facilities.
- (g) Purchase and maintain materials, supplies, or equipment for either the department's ownership and use or the department's use in the normal performance of the department's responsibilities.
- (h) Predator control actions for the benefit of fish or wildlife following certification in writing by the department that the proposed actions will significantly benefit a particular wildlife species.
- (i) Scientific fish and wildlife research conducted by institutions of higher learning, qualified researchers, or governmental agencies, if approved by the department.
- (j) Reasonable administrative costs, excluding the costs of audits required by Section 13104, for secretarial service, travel, and postage by the county fish and wildlife commission when authorized by the county board of supervisors. For purposes of this subdivision, "reasonable cost" means an amount which does not exceed 15 percent of the average amount received by the fund during the previous three-year period, or ten thousand dollars (\$10,000) annually, whichever is greater, excluding any funds carried over from a previous fiscal year.
- (k) Contributions to a secret witness program for the purpose of facilitating enforcement of this code and regulations adopted pursuant to this code.
- (l) Costs incurred by the district attorney or city attorney in investigating and prosecuting civil and criminal actions for violations of this code, as approved by the department.
- (m) Other expenditures, approved by the department, for the purpose of protecting, conserving, propagating, and preserving fish and wildlife.
