

MENTAL HEALTH SERVICES ACT (MHSA) OVERVIEW

WELLNESS • RECOVERY • RESILIENCE

The Mental Health Services Act (MHSA) – also known as Prop 63 – was passed by California voters in November 2004 and went into effect in January 2005. MHSA is funded by a 1% tax on personal income over \$1 million per year, and is designed to expand and transform California's county mental health systems.

PROGRAM COMPONENTS

Community Services & Support (CSS)

CSS programs provide treatment and recovery services to individuals living with serious mental illness or emotional disturbance. 51% of CSS funding is set aside for Full Service Partnerships (FSP).

Prevention and Early Intervention (PEI)

PEI programs aim to diminish serious mental health issues, and implement early detection strategies to keep mental illnesses from becoming severe and disabling, if possible. 51% of PEI funding is set aside for individuals 25 years old or younger.

Innovation

Innovation projects are novel, community-driven approaches that can last for a maximum of 5 years.

CORE VALUES OF MHSA:

- Community Collaboration
- Cultural Competence
- Client Driven
- Family Driven
- Wellness, Recovery, and Resilience Focused
- Integrated Service Experiences
