

- D. If the arrestee appears intoxicated, under the influence of a controlled substance, obviously injured, ill, currently taking prescribed medication, or answers "yes" to any of the medical questions on the form, medical staff will be called to respond to the booking area for an evaluation. Arresting officers shall disclose to correctional staff any information that would indicate that the arrestee had been involved in a traffic accident, was injured prior to arrest, or if carotid hold was applied to subdue arrestee during the arrest process.
- E. If the medical staff determines that the arrestee is not fit for admission to the facility, the arresting officer shall transport the arrestee to the nearest emergency room (per Penal Code Section 4015b).
- F. All inmate property will be inventoried and stored pursuant to property storage policy. The following items will not be accepted into the Nevada County Correctional facilities, and will be the arresting officer's responsibility:
1. Weapons, except knives with an overall length of less than six (6) inches;
  2. Drugs, other than prescription drugs in the arrestees name;
  3. Alcoholic beverages;
  4. Explosives or ammunition;
  5. Caustic chemicals;
  6. Personal property such as bicycles, trunks, tents, camp stoves, et cetera;
  7. Paraphernalia associated with illegal drug use;
  8. Any item refused by jail personnel.

Note: Nothing in this policy shall prohibit items necessary for the arrestee's health and welfare due to valid medical reasons.

G. Truckee Substation

1. Once the inmate is searched, the arrestee will be escorted to the booking cage.
2. If "Yes" is answered on any of the medical questions, the medical unit at the Wayne Brown Correctional Facility shall be called to evaluate the situation, and/or the arrestee shall be taken to the nearest emergency room for medical clearance.
