

# Novel Coronavirus (COVID-19)

## Environmental Health Update

REV: 03/18/2020

### Restaurant and Bar Operations

**Nevada County Environmental Health Department is currently ADVISING all local food restaurants and bars to follow the guidance below as released by the California Department of Public Health (CDPH)**

#### Restaurants/Cafeterias

- Restaurants should be closed for in-restaurant seated dining, and should be open only to drive-through or other pick-up/delivery options.
- 

#### Retail Beverage Service Venues

- Bars, wineries, breweries and pubs should be closed, except for venues that are currently authorized to provide off sale beer and wine to be consumed off premises are allowed. This guidance is not intended to affect production of beer and wine. Bars, breweries, pubs, and wineries that include meals provided by a full kitchen should follow the restaurant guidance below if they provide delivery or pick-up option.
