

ADULT FULL SERVICE PARTNERSHIP

JULY 2018 – JUNE 2019

Full Service Partnerships are supported with Nevada County Behavioral Health Mental Health Services Act (MHSA) funding. The majority of MHSA funding is dedicated towards Full Service Partnership programs.

Adult Full Services Partnership (FSP) programs are designed for individuals 18+ years old who have been diagnosed with a severe mental illness and would benefit from a more intensive outpatient program. In Fiscal Year 2018/2019, **Turning Point Community Programs** was the primary Adult FSP provider in Nevada County.

The range of treatment and services is comprehensive and flexible, and services are available 24 hours per day, 7 days per week. "Whatever it takes" services may include peer/family counseling, assisted outpatient treatment, psychiatric services, treatment for co-occurring disorders, and housing and employment support.

CHILDREN'S FULL SERVICE PARTNERSHIP

JULY 2018 – JUNE 2019

Full Service Partnerships are supported with Nevada County Behavioral Health Mental Health Services Act (MHSA) funding. The majority of MHSA funding is dedicated towards Full Service Partnership programs.

Children's Full Service Partnership (FSP) programs are intensive mental health treatment programs for children under age 21 diagnosed with a serious emotional disturbance or mental illness and their families. In Fiscal Year 2018/19, **Victor Community Support Services (VCSS)** was the primary Children's FSP provider in Nevada County.

Victor Community Support Services (VCSS) clinicians and staff create individualized service plans for each youth and family, and work to build upon each family's unique strengths, needs, and existing community supports. Almost all services are delivered within the homes, schools, and communities of the youth and families served.
