

PLEASE, NO GATHERINGS

Summer is here! Usually that means barbecues, parties, picnics, and getting together with friends and family. This summer, COVID has changed all of our plans.

As you consider your summer plans, here are some questions and answers about gatherings to help keep our community safe.

ARE SOCIAL GATHERINGS ALLOWED?

No. The only social gatherings that are okay are with members of your immediate household.

WHY ARE GATHERINGS SUCH A BIG DEAL?

Most of the new cases in Nevada County are as a direct result of informal gatherings, like parties, extended family gatherings, and dinners. These events feel "normal" but they are high risk. Everyone has worked so hard to keep our community safe, please keep it up!

WHAT ABOUT SMALL GATHERINGS, FEWER THAN 10 PEOPLE?

No. Even small gatherings are not allowed for the same reasons as above.

WHAT ABOUT GOING OUT TO EAT OR "SOCIAL BUBBLES"?

Only with members of your immediate household. These activities, even with your family and friends, are high risk. These are considered gatherings.
