

GET VACCINATED, NEVADA COUNTY!

YOUR GUIDE TO MAKING A COVID-19 VACCINATION APPOINTMENT

As of April 15, 2021, **every Californian age 16 and older is eligible** for COVID-19 vaccines. The vaccines are safe, highly effective, and free of charge. No documentation is required. All are welcome! Here's how to find an appointment:

Go to [MyTurn.ca.gov](https://myturn.ca.gov)

MyTurn.ca.gov is the State's COVID-19 vaccine appointment system. The Nevada County Public Health department uses MyTurn to schedule appointments at the Whispering Pines clinic. These appointments are released every Friday at noon.

In the near future, more vaccine partners will be using MyTurn to schedule vaccination appointments. Go to [MyTurn.ca.gov](https://myturn.ca.gov) or call **1-833-422-4255** to find and schedule your appointment.

Check the Vaccine Provider List

The Nevada County Public Health department maintains a list of local vaccine providers serving Nevada County residents. Go to [MyNevadaCounty.com/GetVaccinated](https://mynevadacounty.com/GetVaccinated) to learn more.

Call 211 Connecting Point

Call 2-1-1 or 1-833-DIAL211 to learn more about vaccination options in your area. 211 is available 24/7 in English and Spanish.
