

VACCINATING NEVADA COUNTY

HOW THE PUBLIC HEALTH DEPARTMENT GETS COVID-19 VACCINE INTO THE ARMS OF OUR RESIDENTS

Vaccinate
Nevada County

Whispering Pines Vaccine Clinic

Our Grass Valley clinic is equipped to provide over 1100 vaccinations per week for eligible groups as vaccine supply allows. Appointments are scheduled through MyTurn. Go to MyTurn.ca.gov or call 1-833-422-4255.

Business Sector Employee Clinics

We work with local businesses in eligible sectors to schedule group appointments for employees with high risk for exposure to COVID-19.

REACH Team Mobile Clinic

Our REACH Team (Resources for Equity & Access in Community Health) goes out to prioritized communities to provide onsite vaccinations for residents.

Distribution to Vaccine Partners

We currently supply vaccine to local partners, including hospitals, clinics, pharmacies, and primary care providers to vaccinate patients in eligible groups.
