

# 29<sup>th</sup> Annual ★ VIRTUAL LAW ENFORCEMENT LEGISLATIVE SUMMIT

MARCH 3, 2021 8:30a – 12:00p

## TENTATIVE AGENDA

Collaborate with fellow  
public safety professionals at the  
**29th Annual Law Enforcement Legislative  
Summit**, happening virtually  
March 3, 2021 from 8:30a – 12:00p.m.

Under the lens of ongoing concerns of in-person meetings,  
this year's 29th Annual Legislative Summit is going virtual!

The importance of this one day of public safety collaboration is as  
necessary as ever, it will just look different. The Summit serves as the  
One Day each year that California public safety's community speaks  
with a single and collaborative voice. This program serves as your rare  
opportunity to join interactive discussions about legislation and policy  
and work with colleagues statewide on what will be needed in 2021 to  
address these recent criminal justice reforms.

### The program will cover:

- An outline of key 2021 public safety priorities by Senate and Assembly leadership
- Inside knowledge of bills to watch from our Public Safety Advocates Panel
- Policing in 2020: Lessons Learned panel of California law enforcement leaders
